

Certificate of Approval

This is to certify that the Management System of:

Scottish Power Renewables (UK) Limited

9th Floor, 320 St Vincent Street, Glasgow, G2 5AD, United Kingdom

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00002307

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Activities including and associated with the development and outline design, detailed design and construction, operation, maintenance and decommissioning of renewable power generation sites and battery energy storage systems within the UK and Ireland.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited
